Deodar Plantation

Homeowners Association

Social Media Policy

Residents:

As our community is growing, we want to continue to promote a friendly neighborhood atmosphere. Establishing a social media policy for homeowners who are members of Deodar Plantation will encourage best practices and ensure that all posts adhere to established guidelines and prevent inappropriate content. The objective of the HOA board officers is to maintain a positive environment and enhance the community experience. Most HOA social media policies are designed to promote and sustain this positive atmosphere. To keep everyone informed, official communications will be distributed through our Deodar Plantation email and will also be shared on, Instagram and on Facebook, ensuring that each resident has access to important updates. The administrators of the Deodar Plantation page are responsible for monitoring content and ensuring that all posts remain positive.

Residents with a concern on any issue may contact any officer.

Thank you.
